FROM THE PRESIDENT'S DESK

Hello everyone,
Since our last newsletter this past summer, the Board has been busy on a number of fronts.

The Safety Survey was completed during the summer, the Vina Del Mar Island sign is about to be installed at the corner of West Vina and 21st Avenue and we will soon begin the compilation of the Vina Directory which was last distributed in 2002.

We just had a very successful "Luau" in September working with our neighbors from Pass-a-Grille, even though the weather did not cooperate. Plan B , moving the affair to the Warren Webster building, along with all our volunteers, saved the day. Thank you to Debbie McCarthy who coordinated the affair for the VDMIA!

Upcoming events include the Garage Sale (10/13), Halloween Party (10/27) and our annual Christmas Party (12/5).

I encourage all residents to begin using our website (vdmia.org) in order to receive information in a more timely fashion versus dependency on our newsletter. For those residents who do not have access to a computer, we will work on other solutions to get updated information to you.

Please remember, our success depends on your involvement and participation in Vina events. Hope to see you at the upcoming functions.

*Thanks to all who helped with the Luau.
We had lots of good food, good friends, and
good fun!*
